**CONNECTORS**

| Ref.No. | Description | Type/Size |
|----------|------------------------------------|--------------------|
| 50511212 | Straight Connectors with or w/o LL | 1/2" x 1/2" |
| 50513838 | Straight Connectors with or w/o LL | 3/8" x 3/8" |
| 50511414 | Straight Connectors with or w/o LL | 1/4" x 1/4" |
| 50513812 | Straight Connectors with or w/o LL | 3/8" x 1/2" |
| 50511438 | Straight Connectors with or w/o LL | 1/4" x 3/8" |
| 5053Y222 | Y-Connector | 1/2" x 1/2" x 1/2" |
| 5053Y888 | Y-Connector with or w/o LL | 3/8" x 3/8" x 3/8" |
| 5053Y444 | Y-Connector with or w/o LL | 1/4" x 1/4" x 1/4" |
| 5053Y882 | Y-Connector | 3/8" x 3/8" x 1/2" |
| 5053Y448 | Y-Connector | 1/4" x 1/4" x 3/8" |
| 5053Y848 | Y-Connector | 3/8" x 1/4" x 3/8" |
| 5053Y242 | Y-Connector | 1/2" x 1/4" x 1/2" |

**CARDIOPLEGIA ADAPTERS**

| Ref.No. | Description | Type/Size |
|---------|------------------------|-----------|
| 5061 | Perfusion Adapter | 1/4" |
| 5062 | Cardioplegia Y-Adapter | 30cm |

- * Special design for easy use in operation
- * Made by PVC

**HEMACONCETRATOR SET**

| Ref.No. | Description | Type/Size |
|---------|----------------------|-----------|
| 5101 | Hemaconcentrator Set | Adult |
| 5102 | Hemaconcentrator Set | Pediatric |
| 5103 | Hemaconcentrator Set | Infant |

- * Special design according to customer's requirement
- * Made by PVC and medical grade silicon
- * Not included DEHP

**OXYGENATOR LEVEL SENSOR PAD**

| Ref.No. | Description | Type/Size |
|---------|-----------------------------|-----------|
| 5151 | Oxygenator Level Sensor Pad | Maquet |
| 5152 | Oxygenator Level Sensor Pad | Sorin |
| 5153 | Oxygenator Level Sensor Pad | Terumo |

- * Easy adhesion and release, Strong Grip, Not include DEHP
- * Our products is BDS brand that suitable use with "Sorin" "Maquette", "Terumo" brands Oxygenators

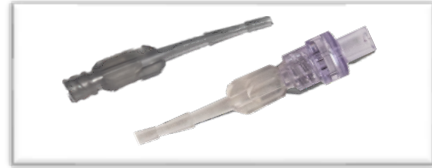

VESSEL CANNULA

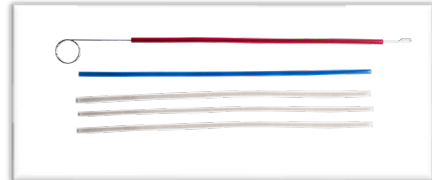

| Ref.No. | Description | Type/Size |
|---------|------------------------------------|-----------|
| 5201 | Vessel Cannula, blunt tip | 5cm |
| 5202 | Vessel Cannula, blunt tip, One way | 6cm |

* Easy use in operation

* Flexible, Not include DEHP

**TOURNIQUET SET (SNARE)**

| Ref.No. | Description | Type/Size |
|---------|------------------------|-----------|
| 5251 | Tourniquet Set (Snare) | 2+1 |
| 5252 | Tourniquet Set (Snare) | 4+1 |
| 5253 | Tourniquet Set (Snare) | 6+1 |
| 5254 | Tourniquet Set (Snare) | 8+1 |

**VASCULAR TAPE (Nylon-Polyester)**

| Ref.No. | Description | Type/Size |
|---------|---------------|-----------|
| 5301 | Vascular Tape | 3mm |
| 5302 | Vascular Tape | 4mm |
| 5303 | Vascular Tape | 5mm |
| 5304 | Vascular Tape | 6mm |

* Knitted surface

* Made by polyester

**VASCULAR LOOP (SILICON)**

| Ref.No. | Description | Type/Size |
|---------|---------------|-----------|
| 5351 | Vascular Tape | Red |
| 5352 | Vascular Tape | White |
| 5353 | Vascular Tape | Blue |
| 5354 | Vascular Tape | Yellow |

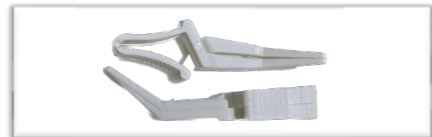

* 100% Medical Grade Silicon, Radioopaque, Smooth Surface

* Color Coded, Latex Free

* Not included DEHP

**BULDOG CLAMP**

| Ref.No. | Description | Type/Size |
|---------|---------------|-----------|
| 5401 | Bulldog Clamp | Straight |
| 5402 | Bulldog Clamp | Angled |

**PRESSURE MONITORING SET (TRANSDUCER-DOME)**

| Ref.No. | Description | Type/Size |
|---------|-------------------------------|-----------|
| 5451 | Pressure Monitoring Set -UTAH | Single |
| 5452 | Pressure Monitoring Set -UTAH | Duble |
| 5453 | Pressure Monitoring Set -UTAH | Triple |

**SUCTION SET**

| Ref.No. | Description | Type/Size |
|---------|-------------------------|-------------------------|
| 7001 | Suction Connecting Tube | Various Length |
| 7002 | Yankuer Suction Set | Various Length |
| 7020 | Yankuer Handle open tip | 24ch with vacuum contr. |
| 7021 | Yankuer Handle bulb tip | 24ch with vacuum contr. |

* 100% Medical Grade , Vented and Non-vented

* Universal Funnell Connector

* Latex Free
